it's finally time for Malena to unveil herself. This up-and-coming experimental physicist attending college and working her way to some serious scientific endeavors. While she claims to not yet know what area she wants to specialize in, she has been having tons of fun exploring her sexuality while she can. Once her job starts, her focus will be in the lab, not the bed. I like sleeping with girls! This sexy babe gushed during the photo shoot.

malena

I'M A BIG SCIENCE FAN. I LIKE DOING WEIRD EXPERIMENTS TO SEE WHAT HAPPENS.

I once had a superheated three-way with my girlfriend and her boyfriend and ever since then I've been addicted to pussy. She still makes room for men though because as she puts it: I enjoy a big cock way too much to give it up entirely. When hooking up with friends Malena likes to be right in the middle of the action. You know, when I get fucked from behind while going down on the girl in front of me? That's the best of everything! It sure sounds like she knows what she's after in the sack at least! She'll learn about the lab later. I already know what I'll be wearing under my lab coat! Nothing!!!

i didn't want to be married. I was just 18, and had the sex drive of a wild woman. No man could keep up with me, and one man definitely wasn't enough to satisfy my needy pussy. But my parents didn't want me to get myself into trouble and ruin my reputation, so they set me up. Soon after my 18th birthday, my parents gave me a choice: I could marry the older man who was rich, or they would disown me, leaving me with nothing. I couldn't even think what it would be like to have nothing, so I reluctantly agreed to get married. After I did, I found that my husband wasn't all that bad.

TWERKING AGAIN FOR SEX

But he wasn't adventurous enough for me and I couldn't deny myself anymore. I was faithful for four months and would go crazy if I stayed faithful any longer. The next morning, a hunky repair man knocked at my door. He was there to fix my air-conditioner and had no idea it was I who broke it. Before he even had his tools out, I was rolling around on the bed showing off my yummy goods. He found me so tight, every pump of my pussy made the stranger scream. No matter how many positions we did, my pussy needed more. It wasn't letting go of the hard cock until the afternoon was over.

NICE TO HAVE A FRIEND LIKE THAT

The weekend is the only time I have to take care of things around the house. I worked hard in the summer heat and was exhausted when I finally finished and came inside. I'd already been in bed for a couple of hours when the sheets shuffled and the mattress moved a bit. I woke enough to scoot over and make some room when I felt her hair fall on my bare shoulder and her breath come close to my ear. She nuzzled into my neck as she moved into the bed behind me. Her soft, warm hand started on my shoulder and caressed a winding path along my arm, around my chest and across my stomach. There was no doubt she wanted to start something, and even less doubt that I would gladly oblige.

I turned to kiss her and she opened her mouth for me as if we hadn't kissed in years. Her tongue was hot and ferocious as she sucked a huge kiss right out of me. Katie

stayed up with her longtime friend, drinking mojitos and making girl talk in our living room. I'd gone off to bed early – tired from working out in the yard and not terribly interested in their chatter. After I first settled in I could still hear them jabbering away about everything and nothing, but they hadn't seen each other in a few months, so it was no surprise. I smiled as I drifted into a light sleep – glad that she's got such a friend.

Her name was Noreen, and they'd been friends since elementary school. She was there for Noreen when she went through her divorce, and Noreen was there for her while I was called to serve overseas. They were as close as friends get – unconditional in their support for one another, but remarkably candid always. It was a friendship to envy.

ed to be released, and I tried to use my free hand to pull the waistband aside. Katie was having none of it, as she slid her leg over my stomach, moving her chest so that the dry boob could get some mouth action. I cupped both and began to kiss and suck noisily. The moisture on her made pinching and rubbing her all the more erotic – obviously she was enjoying herself as I could feel her sexual heat hovering just over my stomach. My cock flexed uncontrollably, I was aching to penetrate her and fuck her in a primal way. I didn't quite realize how she was managing it at the time, but I could feel her fingers grasping my shorts and pulling them away.

As I felt my cock being engulfed by fingers, it was clear there was no way these could be her hands; and there was only one other female in the house! There was no light in the room at all, so I could not see exactly what was going on, but I could sense that Katie's hands were on the bed up near my face and that Noreen had both of her

hands on my cock. The sensation of Noreen's hands rubbing up and down my cock while a slippery pair of breasts were being fed to me was out of this world. I must have made an involuntary noise of some sort because the ladies both giggled.

I reached up and rubbed Katie's ass, my mind spinning at the thought of this actually happening. When Noreen slowed her strokes and rubbed little circles around the head of my dick with her thumbs I arched my hips up a bit, pressing my stomach right into the wet pussy lips straddled over me. Katie was breathing heavy, her slit was dripping wet and I was being held in place.

Soon Noreen's boobs were sliding up my thighs as she positioned her mouth over the tip of my twitching cock. I felt her hot breath on me before her lips landed around the head, making me growl into the breast flesh I was still sucking. How in the hell was I going to

fuck the both of them? The tongue across the bottom of my shaft was dripping wet – and Noreen was making the same kind of slurping noises I was making as her mouth engulfed me. She tilted her head forward and bobbed up and down – running the head of my dick across the roof of her mouth as she moved. I felt Noreen shuffle her hand, rolling it up across my belly, her knuckles down.

Noreen was rubbing her fingers into Katie's moist slit - her best friend - right on top of me! The grinding that began made it almost impossible to keep a grasp on the wet tits I had in my mouth, so I leaned back and cupped them in my hands. Katie leaned back as well, reaching behind her to grip Noreen's wrist as Noreen pushed her fingers across those slick pussy lips. Katie's eyes were rolled back in her head and her thighs began to tremble in rhythm to Noreen's massage.

Katie moaned as the first wave of an orgasm began to climb. She gripped my ribs with her knees and pushed her hips back onto Noreen's hand while I pinched and twisted her nipples harder and harder. Noreen's mouth was off my cock while she watched the pussy she manipulated begin to convulse. I couldn't see what she was doing, but it felt like she was finger-fucking Katie's pussy - fast and hard.

I could feel Noreen's hand bounce off of my body with each thrust and Katie laid on top of me, pressing her chest onto mine, lifting her

pussy into the air while squeezing her feet, thighs, knees and arms around me as she came hard. Noreen slowed her hand and let it slide away and back onto my cock. Now her hand was wet with Katie's cum and it only took a half dozen strokes, for me to be ready to pop.

Noreen moved her mouth and hand in one slimy, sexy motion over my pulsing rod. My moaning made Noreen to slide her mouth as far onto my dick as she could, cupping my balls as they tightened up. A couple more deep grunts and I launched several wads of jizz into her throat. I closed my eyes so hard as I came that I saw stars. Some of my cum slid back down out of her mouth and onto her hand and lips, as well as my cock and belly. Noreen gathered some into her fingers and kept stroking me while she licked and sucked up the loose puddles of sperm. She put her mouth around me again as I began to soften and sucked lightly again, coaxing all of

it from me.

I was still breathing deeply and trying to shake the stars out of my vision when Katie slid off of me and said, "Our guest is doing all the work – we're not being very good hosts." She leaned over to Noreen, and the two of them started kissing. Long, slow, deep kissing. Their hands were laying across each other's hips and shoulders as their mouths seem to melt together. I got the feeling this wasn't the first time they'd ever kissed one another. I raised myself up on one elbow and scooted aside as they laid down and continued their exquisite mouth dance. What a wonderful front-row seat I had, inches away as two gorgeous women lost themselves in intimate passion.

Katie was on the other side of, but kind of on top as Noreen lay on her back, and I got my first real look at Noreen's naked body. Her chest was wonderfully plump and round – spectacular natural breasts topped

with very small, fairly dark nipples, the contrast to Katie's larger, paler nipples and medium sized tits was very erotic. Seeing them one on top of the other was fantastic. I could not be just a spectator any longer and I moved my hand across Katie's back, along her side and onto Noreen's boob – letting my palm drift over her skin lightly. My fingers pressed along the outlines of her roundness and ended up with fingertips rubbing Noreen's nipple slowly.

I rolled towards the two of them – they were still lost in a fog of intense kissing - and slid my hand down along Noreen's side, her hip, the top of her thigh. She raised her knee up and towards me, parting her legs and exposing her snatch to my hand. I let my fingers continue to wander over her thigh, her belly, lightly brushing her completely bald kitty. I rubbed my palm along her inner thigh, down to her ass and grabbed her cheek firmly.

As I released her ass, I kept my thumb in contact with her skin, sliding it onto her pussy lips as my fingers brushed her thigh. My thumb began to circle, moving her plump outer lips with it. I parted her and let just the tip slide along the open slit from top to bottom, then back up again. Her moisture was so warm and thick I began to imagine what it would feel like on my tongue. We continued licking and fucking each other for what seemed to be an eternity. Exhausted, I finally fell asleep and left the two ladies to their own volitions. I needed to get some sleep.

I'm very selective
when it comes to being
with a good man.

He has to have every-
thing that I look for, and
that's a long, long list. I
just can't settle for
anyone. He's got to
look good in and out of
his clothes. I don't
want to be with someone
just to avoid being
alone. But when he's not
around, my trusty blue
dildo is. And it's going
into places no guy will
go unless I like
his looks!

a race to finish

I have to admit that one of the best sexual encounters I've ever had was with a guy who had a huge cock. Some ladies think that too big hurts when you fuck. I've mastered giving head with my mouth and hands so that the guy feels like it's all in. I love the long schlong and just cannot get enough if it. Men love that!

The guy I'm talking about, Seth, was a race car driver on a pro circuit that races in a different city every weekend. This particular weekend they were in mine, Phoenix, and I was talked into going to the races by my girlfriend, Maria, who had an "in" with the race promoter. She said we could meet some of the drivers if we wanted to. That comment made me feel like a groupie at a rock concert, but I agreed to go anyway. The weekend came around and we went to the track, watched the race (kinda excit-

ing, but not my cup of tea!), and then, after the crowds went home, we went down to the pits and met some of the racers. Maria's friend introduced us to a few of the teams and then to Seth's. He came in third, but had led for most of the race. By the time we got to his pit, most of their stuff had been put away, so Seth and his pit chief invited us up to the clubhouse for drinks. I didn't want to go, but everyone else did, so I tagged along.

After a few drinks, I was feeling tipsy and engaged in the conversation. Seth actually turned out to be a nice guy and kept us engaged and laughing. Little did I know that was just the start of bigger things to cum. It was now well into the evening and we hinted at going home. Seth, apparently, did not want the evening to end and invited us to his room. Feeling adventurous, I decided to go with him, but my friends both declined.

We went to his suite and sitting on the sofa, he continued with the racing stories. Then he came over and started kissing me deeply, shoving his tongue as deep into my mouth as he could. I moaned with pleasure as his hands moved down and tore my blouse open and began fondling my breasts, kissing each one and then kissing me some more. Then, he pulled my skirt and panties off in one swift motion and before I knew it he laid me back on the sofa, pulled out his huge cock and pushed it inside of me. I shouted out loud with pain and then pleasure, and after few deft strokes he got into a rhythm that filled me with ecstasy and I came within five minutes.

He pumped furiously a few more times and as I sensed he was about to cum, I pulled his cock out of me and was amazed at its size. My hand did not go all the way around it. I pushed him back, stood up and

looked down at it. After a moment I looked at him and was about to say something when he blurted out that if he let me see it before we fucked that I wouldn't do it with him. I chuckled at him and said it was all right. I enjoyed it. Wasn't it obvious, I came immediately. I got on my knees and started to give him a blow job. The cock's head was just enormous. It was almost the size of a tennis ball but purple with an inch long slit in it. The shaft was long and thick. Like one of those English cucumbers but fatter. Blood vessels were bulging and it looked like a Medieval battering ram.

Undaunted, I took it in both hands and began licking it all around. The taste of my pussy juices was replaced with liquid from my mouth and I grabbed the shaft with both hands, pulling and pushing it as I sucked on the head. I slid my tongue into the slit and wiggled it around tickling him. I moved down the shaft to his balls. I noticed that they were normal size and I tasted

them. As I looked up, that huge penis extended to his navel! As I slipped a hand up to it's tip, my arm was just a little longer than his cock. My eyes opened wide with amazement as I licked up the shaft and back onto the tip of his cock. I got the head and a couple inches in and managed to get him off.

Suddenly, there was a knock at the door. Seth quickly put on his boxers and I hid under the covers. He opens the door and I hear Maria's voice. I hold still under the sheets, and then -- swoosh -- they are pulled off me exposing my nakedness, and embarrassment to both of them.

"Funny seeing you here. And like this." Maria says with a smirk in her voice. I try to cover myself with my hands but realize I can't and just let it go. They both stand by the bed and pulled me up. Seth pulls me close and Maria leaves the bedroom. I hear a low growling noise and ask what that is. Seth reassures me that it's nothing and

a moment later Maria comes in and takes us both by the hand out to the Jacuzzi in his suite. She has done this before, I thought to myself. By the tub, Maria takes off her clothes and Seth drops his boxers. They get in and beckon that I do the same. I step into the warm turbulent water and settle into one of the bench seats.

Seth eases across the Jacuzzi and settles between Maria's legs. She opens them to accept him and closes them around his waist pulling him to her. I moaned at the sight. Seth slowly stands with his erection and she obediently opens her mouth and takes him in. Seth watches his cock slide in and out of her talented mouth. Maria wraps one hand around the base and another around the shaft. She runs her tongue up the side and takes the head in her mouth. She hesitated then slowly took him in until her nose touched his abdomen.

Seth watched his cock become wetter and wetter as Maria coated it in saliva. She formed a perfect "O" with her mouth and took the head in again and started to pump his cock with her hand. Maria used her other hand now and started to softly play with his balls and this produced another groan from Seth. He pulls his hard cock from Maria's mouth and leans her back so he could get to her pussy and started to return the favor. Seth used his tongue to lick up her slit and across her clit. He slowly licked back down and forced his tongue up her pussy as far as he could.

Maria was already very wet from having that hard cock in her mouth. Seth slowly licked her outer lips and traced his way back to her clit and slowly sucked it into his mouth. Maria brought her hand down to hold Seth's head in place. Seth then stopped, turned her around, bent her over the side of the tub

and started to do the same to her asshole. He spent a few minutes licking the tight ring while using his hand to play with her pussy. When his finger was coated in pussy juice, he started to rub her anus and work his finger in. Maria couldn't believe how good this felt. She was very aroused by the new sensations and found herself pushing back against Seth's finger trying to take it all in.

I was watching the scene unfold and slipped a finger into my own pussy. I could see Seth's finger was almost completely inside Maria's tight ass as he reached around with his other hand and started to rub her pussy. Seth knew she was close already and wanted to cum. He suddenly sank the remainder of the finger in her ass and one into her pussy. Maria screamed as her orgasm quickly rocked her body. I was nearing one myself but stopped because I didn't want to cum so quickly. I grabbed a nearby bottle of lube and filled my hands with it and proceeded to coat Seth's cock. I then moved to Maria's round ass

and massaged some into her anus. I couldn't resist the urge to work a finger into Maria's incredible ass.

He positioned his hard cock at her back door entrance and slowly started to push it into her. Seth continued to work his cock deeper into Maria's bowels as she did her best to relax and take him in. Maria was learning quickly and the pain was turning to pleasure. After several minutes Seth finally had his entire cock in her ass. Seth could tell she was adjusting to him quickly so he only paused a second before he started to slowly pump his hard meat in and out of her ass. He knew he would not last long. Maria's excitement was sending him to a quick orgasm but he didn't want to cum without her.

Seth started to move a little faster but the feeling was too much for Maria. Maria felt her whole body come to life as she came. Seth came as he felt her ass tighten around his cock. Maria even liked the feeling as he came deep in her bowels. Seth collapsed on her back and nobody moved for a minute of

so. Seth finally pulled his softening cock from Maria's ass and the three sat in the warmth of the Jacuzzi coming down from the erotic high.

I started to say something and stopped. Seth drifted over to me, took my hand and put it on his cock under the water. Even in his after-orgasm stage it was still large and hard. I stroked it back and forth as he looked directly at me. I don't know how Maria took such a large thing up her ass unless she did it often. Maria could see my hand working on his cock under the water. He stood up, warm water dripping off him and my hand was still attached to his cock. Maria slides over and quickly takes his cock in her mouth. The both of us work in unison, sliding up and down his shaft.

Without even thinking, Get behind him and push him over at the waist. I take my hand off his cock as Maria continues sucking him off, and spread his ass cheeks apart. My tongue speeds to his butthole and I begin licking the pruned hole furiously. I feel him moan over the Jacuzzi's motor and I stick my tongue inside him. Maria reached around and grabs his butt cheeks spreading them even wider. This frees my hands and I begin fingering his ass with one hand as the other slips under him and mashes his balls. I move my finger in and out in sync with Maria's blow job and within minutes Seth is spurting deep into her throat as I jam a second in to heighten his orgasm.

By now we are all completely exhausted and go over to the bed to get some rest. Next thing I know it is nine in the morning as the phone rings. Seth answers and bolts out of bed. I ask what's up and he says the race starts in an hour and he is going to be late. I wake Maria up and we push him back down on the bed. Looks like the race may go on without him today.

wait till i get off this ladder!

"I used to just lay there on my back and let the guy do his thing. I think I gave a pretty good blow job, but now that I think back, it was probably more mechanical than sensual. While I enjoyed it, I came to learn there was so much more. Now I think I'm a pretty good fuck, but I can't wait to get even better, and that takes practice."

cassie

Cassie got something really special for her 18th birthday – a red sports car. It is something she had been asking for for the last two years. At first she was too young, then she didn't have her license, but at 18 there were no more excuses. Even though it was last year's model, she was still ecstatic. Her first drive was up the coast highway to Santa Barbara. Two top-down, wind-in-her-hair hours of pure automotive bliss.

IF WE WERE TOGETHER, I WOULD DO EVERYTHING I COULD TO MAKE YOU VERY HAPPY.

the car felt great under her and she had control. She spent the night at a girlfriend's place and showed it off. In the morning she headed back to L.A. No panties on. She wanted to feel the warm smooth leather on her pussy lips and rub it into the seat, marking her territory. Purposely, she wore a button-front shirt that she would open now and then to feel the breeze on her boobs and nipples. Soon she realized she was caressing and stroking the gear shift like a cock. Oh yeah, she was going to like this car!
